Re: Effect of inactivity and undernutrition following acute stroke on rat hindlimb muscle mass, myofibrillar protein content and Type I, II fiber cross-sectional area

Dear Dr. Choe:

Recently you sent your manuscript for consideration by *Nursing Research*. The review of your manuscript is complete and the comments of the reviewers are attached.

You may revise your manuscript based on the reviews and resubmit the manuscript to *Nursing Research* for further consideration. You may e-mail OR mail (two copies with diskette) your revised manuscript with responses to: handfing@email.unc.edu. Explicitly outline how you addressed each of the issues raised by the reviewers.

Please also note the enclosed Checklist for Style.

Please send us a revision of your manuscript within 3 months of receiving this letter. If you are unable to do so, we will remove your manuscript from the review process. Any subsequent revision would then be regarded as a new submission. Please notify us in regard to your intent to revise the manuscript and approximately when we can expect to receive it.

Let me know if you have any questions or need further information at this time. Use email if it is convenient for you; otherwise, fax or the postal service will work well. I look forward to hearing from you. You may now track the status of your manuscript at our Web page: <http://sonweb.unc.edu/nursing-research-editor> by clicking on authors and following the instructions.

Sincerely,

Molly C. Dougherty, PhD, RN

Manuscript # 2003/083

THESE ITEMS REQUIRE YOUR ATTENTION BEFORE WE CAN FURTHER PROCESS YOUR MANUSCRIPT. "APA 5TH ED." INDICATES THE PUBLICATION MANUAL OF THE AMERICAN PSYCHOLOGICAL ASSOCIATION, 5TH EDITION.

General

- Indicate manuscript number on all correspondence and revised manuscripts.
- ~~Supply permission from publisher to reproduce published materials; acknowledge the source in the manuscript by referring to the original publication.~~ P. 28
- A copy of *Instructions to Authors* is enclosed.

Title Page

- Shorten title to 12 words or less (no abbreviations).
- Remove abbreviations from the title.
- Supply first name of each author.
- Supply reprint address if different from the corresponding author's address.
- Supply telephone and fax numbers and email address of corresponding author.
- Supply running head of less than 50 characters (no abbreviations).
- Remove abbreviations from running head.

Abstract

- Provide a structured abstract (see *Instructions to Authors*).
- Spell out abbreviations in abstract.
- Supply 2-3 keywords; use MeSH guidelines if possible.

Acknowledgments

- Supply the full name, titles, and institutions of those acknowledged.

Text

- Number all pages (except figure pages), beginning with the title page.
- Double-space all pages; use 12-point type (Times New Roman).

References

- Update **reference list** using APA 5th Ed. format. In particular,
 - Use hanging indent; italicize all titles and volume numbers (no underlining).
 - For books and articles, capitalize only the first word of the title and of any subtitles.
 - Insert space between each author's first initials.
 - Insert comma after the author's name preceding the "&" when there are 2 or more authors.
- After the 6th author's name and initial, use et al. to indicate the remaining authors of the article.
- Update **in-text** citations using APA 5th Ed. Format (pp. 208-209). In particular,
 - On first citation of a reference, list all authors if there are less than 6. For following citations, use first author followed by et al.
 - For 6 or more authors, use only the first author's name with et al.

- Don't put a comma before et al.
- Put citations of two or more works within parentheses in the same order they appear in the reference list.

~~Add missing author to Qiu (1991)~~

- ~~Add in-text citations of the following references to the reference list.~~

Correct year of publication
