

CHECKLIST FOR STYLE

Title Page

Supply affiliation and professional title for each Charles Henderson.

Supply running head of less than 50 characters (no abbreviations).

References

Reference List:

Insert space between each author's first initials.

After the 6th author's name and initial, use et al. to indicate the remaining authors of the article (e.g., Diaz).

Include year of publication for the Fortune reference.

Update in-text citations using APA 5th Ed. Format (The Publication Manual of the American Psychological Association, 5th Edition, pp. 208-209). In particular:

On first citation of a reference, list all authors if there are less than 6. For following citations, use first author followed by et al. (e.g., Fortune; Mansour; Wade; Yoos '05)

Update "in press" references, if applicable (ie, McMullen...).

The following references are not cited in the text. Remove from reference list or add to text: Leventhal & Nerenz (1985); Nat. Services for Health Statistics.

Tables

Define all abbreviations used in tables in a note below each table.
