

MEMO (NRES-D-08-00191): revision requested documentation notes

1. Your discussion of the Cox model is valuable, but the literature you use in the Discussion should be placed in the introduction/background. Currently, the Cox model is only briefly addressed in the introduction/background and it should be expanded.
 - Done, see new page 7, line 21 to pg 8, line 1
2. Please shorten the Discussion to no more than 4 pages.
 - Done, see new page 16 (line 12) to page 20 (line 3)

The following revisions are requested:

- (1) Page 9, line 19 -- please include the dollar amount of the parents' gift certificate.
 - Done, \$20 added - page 10, line 8
- (2) Page 14, lines 3-4 -- this sentence is not clear (maybe the initial word "The" is incorrect?).
 - Yes, so edited for grammar page 14, line 16
- (3) Page 18, lines 18-20 -- provide citations for this sentence.
 - This sentence was edited out during the revisions for the Discussion section. Thus citation is not now needed.
- (4) Page 19-20, paragraph beginning at line 15 -- place this paragraph in the background.
 - Done, paragraph edited into page 5, lines 5-10; and page 13, line 4
