

Itemized Response to Editor's Revisions – June 26, 2009

Revision	Page & Line #	Response
Prepare background literature section	Page 5-10	Completely rewritten with additional information on study, significance, conceptual framework , and literature provided.
Combine tables 2, 3, 5, and 6	Uploaded separately as instructed	Tables 2, 3, 5, and 6 combined into one table and remaining tables renumbered as well as corrected in the text.
Shorten Discussion to 4 pages	Page 15-19	Discussion shortened to 4 pages.
Shorten Implications & Conclusions to one paragraph	Page 19 and 20, last paragraph	Suggested content shorted to one paragraph.

***Did not note line numbers as seen on previous revision and since the changes were more comprehensive I was not sure how the line number should be documented. Thank you for this opportunity.**
