RE: NRES-D-09-00138R1, titled "Measuring Implementation Fidelity in a Community Based Parenting Intervention"

Dear Dr. Breitenstein,

I am pleased to inform you that your work has now been accepted for publication in Nursing Research. All manuscript materials will be forwarded to the production staff in the near future for placement in an upcoming issue. In the meantime, please answer the following queries:

- 1) In Group Level Data section, 1st paragraph, last sentence ("These parent group attendance rates are consistent...") -- this point should be placed in the Discussion.
- 2) Table 2 -- If this is previously published, please provide a table note citing the source.

We would like to post the original manuscript you submitted to Nursing Research on the Nursing Research Editor's Web site [<http://www.nursing-research-editor.com/authors/open.php>] simultaneously with the print publication of your article. The reviews on your manuscript were balanced and instructive.

The posting includes this introduction to readers: At Nursing Research we are taking a first step in open peer review. Posting information on published manuscripts allows you to read the peer reviews, examine how manuscripts are revised based on them, and understand the contribution of the editorial office. The originally submitted manuscript is posted; you may compare it with the published article. You may review the other manuscripts that have been posted at the URL above.

Would you please send this request to your co-authors as well? They are more than welcome to send an email response to me. We will not post the original manuscript without the permission of all the authors.

Also, your manuscript will be posted on the website as a Print Ahead of Publish (PAP) for Nursing Research. PAP is the electronic publication of an accepted manuscript prior to print publication. PAP is ideal for cutting-edge research/important studies that cannot wait the 3-4 months before publication.

Please complete the copyright release form, have each author sign it, and return it to me via fax (919-966-9736), e-mail (scanned copy), or regular mail. The form can be found on this site at "Instructions to Authors" (<http://edmgr.ovid.com/nres/accounts/copyrightTransfer.pdf>). You may make copies as necessary.

Thank you for submitting your interesting and important work to the journal.
