

February 18, 2008

Dear Dr Dougherty,

We would like to submit a manuscript to be considered for publication as a “letter to the editor” in your journal. At the moment, this is a “hot topic” and a relevant issue within Europe, particularly in Spain. We hope you find it interesting for publication.

Thank you in advance for consideration of this manuscript. Looking forward to your reply,

Best regards,

Dr Sandra Tricas Sauras  
Lecturer in Nursing Studies  
School of Nursing  
University of Navarra, (Spain)

Dr Olga Lopez de Dicastillo  
Lecturer in Nursing Studies  
School of Nursing  
University of Navarra, (Spain)
